*This is a Southern Miss course and will adhere to the university calendar and guidelines.*

**How to Enroll:** Before enrolling in one or more of the classes, students must be admitted to The University of Southern Mississippi. Prospective students need to submit an undergraduate admissions application and official transcript to the Office of Admissions at Southern Miss. Contact the office at 601.266.5000 or [www.usm.edu/admissions](http://www.usm.edu/admissions) for more information.

**Admission Requirements:** Students who do not meet freshman requirements must either have an associate's degree intended for transfer or have completed the 24 semester hours of designated college course work outlined below with at least a 2.0 GPA. Admission to some Southern Miss programs may require students to meet additional requirements.

- 6 hours of English composition
- 3 hours of college algebra or higher mathematics
- 6 hours of lab-based science
- 9 hours of transferable electives

**Tuition:** Tuition for one course is \$639. Students who are concurrently enrolled at both institutions, and who already qualify for financial aid through Hinds, may be eligible for additional financial assistance for the Southern Miss classes. Hinds students should check with the Hinds Financial Aid Office at 601.403.1029 for eligibility requirements.
